COMMITMENTS AS AN OFJC MEMBER

The Jaycees is an organization founded for leadership training through community service. Our chapter is only as strong as our individual members. Plus, the more things you participate in, the more you'll see the diversity of what the Jaycees organization offers and the more you'll benefit. Therefore, we encourage you to take advantage of the various Areas of Opportunity the chapter provides by committing to the following activities in your first year:

1. Attend at least half of the monthly membership meetings
2. Participate in at least one Jaycee function per month (other than membership meetings)
3. Attend a New Member Orientation
4. Attend at least 4 chapter projects
5. Attend another chapter's event or a regional, state, national, or international event
6. Help with a chapter project (as a chair, co-chair, or in an assigned role)
7. Recruit 1 new member, or refer 3 prospects, or invite 3 prospects to a Jaycee-sponsored event

In addition, to truly benefit from and learn what the Jaycees organization offers, we suggest you participate in the Degrees of Jaycees Springboard Program. This will be further explained at the New Member Orientation held every quarter. You will be guided through the Springboard Program by your Assigned Mentor.

You will then receive the following member benefits and training:
